Message:

We are one of the few family farms left. We also are organic farmers as well as some conventional farming. I'm asking you to STOP USING GENETICALLY ENGINEERED FOOD & CROPS IN YOUR PRODUCTS UNTIL THEY ARE SAFETY TESTED FOR HUMANS. I THINK IT'S VERY UNDERHANDED & IRRESPONSIBLE OF YOUR COMPANIES TO TEST THESE CROPS ON YOUR FELLOW- MAN, WOMAN, & CHILD WITHOUT WARNING THEM ON THE LABELS!! THIS GOES AGAINST THE FREEDOM OF CHOICE FOR WHICH WE HOLD DEAR IN OUR NATION. UNDERSTAND, YOU WILL BE HELD RESPONSIBLE FOR THE POTENTIAL LOSS OF HUMAN LIFE (PLEASE MAKE NOTE OF WHAT IS HAPPENING TO THE TOBACCO COMPANIES CO. CURRENTLY). MOTHER NATURE HAS A NASTY WAY OF TURNING THE TABLES SO TO SPEAK. JUST BECAUSE LARGE COMPANIES DECIDE TO MONOPOLIZE THE MARKETS AND PAY BIG CAMPAIGN DOLLARS DOESN'T MEAN WE ALLOW THEM TO DICTATE AND RULE OUT COMMON SENSE!!

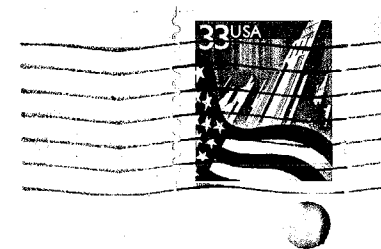

Thank you,
Martha Franks
